

OASIS Masters Football are hosting the 70Plus World Cup 12 to 16 October 2026 at Redlands FC Cleveland QLD.

This is the 8th time this event has been held, in the past it has been held in Japan three times, Denmark twice, Thailand and Wales, next year 2027 Dallas USA.

Starting with 70+ then expanding with 75+ and last year the first ever 80+ in Tokyo.

This will be the fourth time Australia has entered teams with 70+, twice with 75+ and for the first time an 80+ team.

Teams from England, Wales, Germany, Japan, USA, Australia and others to be added.

This is normal running football, 70+ 11 a side full field, 75+ and 80+ 8 a side half field.

The 80+ comp this year is the first time ever an international tournament has ever been held for an 80+ team's event in any sports, in Australia or the World!!!!

Six countries UK, Germany, Japan, 2 x USA and Australia will compete.

Altogether 32 teams and about 550 players will be competing in the three age groups.

Two one-hour games per day, 8 games in the week, so who said, "you slow down when you get old"? These guys don't know when to stop and will play till they drop.

We are looking for this to be promoted in the media, TV, newspapers and internet.

Also, we need sponsors for playing equipment, player gift packages and advertising.

This is a truly amazing tournament for older football players to show we can keep playing into the later times of our lives for physical and mental health.
